The following comment was received by BARBARA OAKRY in a letter from a student:

"It is obvious, by looking at the trash left behind by students, that you are often taken for granted. However, I wanted you to know that your smiles and cheerfulness, as well as efficiency, are appreciated by at least one student.

Thank you for making my day more than once just by taking a small moment of your time to smile and say "Hi"!

Kudos to you, Barbara. This type of comment reflects what CCCC is all about.
