STAFF NEWS:

JUANITA AUSTIN received a warm reception and a thank you note from Mary Lewis, a teacher at Plano East Sr. High School, for Juanita's presentation on alternatives for "life after high school."

ROBYN JOHNSON, an adjunct faculty in CCCC's chemistry program and chemistry teacher at Berkner High School, was recently certified in chemistry by the National Science Teachers Association. Ms. Johnson is one of only 102 teachers nationwide to receive NSTA certification. She has been working with the College since January 1988 as a laboratory instructor. We congratulate Robyn on her accomplishment.

On April 28-29, GERRY PERKUS and BILL DILLINGHAM attended a meeting in Houston regarding the implementation of the Lonestar Student Tracking System. CCCC and most other Texas community colleges have agreed to participate in Lonestar for 1988-89.
