Collection Description

Collection Number: us-txmckc-2007.03-a2-c2 Accession Number: 2007.03-a2

**Collin County Community College District memorabilia, 1985 – 2004**

**Extent:** 4 boxes

**Administrative history:** Collin County Community College District (Collin) was founded in 1985 and, as of 2006, its three campuses and three extensions served more than 40,000 students per year. Collin is the only public college in Collin County, Texas.

Courses, degrees and certificates in a wide range of subject areas are offered at Collin which also has dual admission agreements with several four-year universities in the state of Texas.

(Information from: Collin County Community College District. (2006). *Collin County Community College District 2006-2007 Catalog*, pp 12-13.)

**Scope and Content:** This collection contains promotional and commemorative realia from Collin County Community College District.

**Notes:**

Most of the material is undated, however, three distinct logos (not including the present logo used by the college) have been identified:

This logo is noted beside items on which it appears as the “Wedge Logo.” It may be the first logo used by the college and has been found on items in the archives dated 1988-1991.

The second logo resembles a 3-D tic-tac-toe grid. This logo is noted beside items on which it appears as the “TTT Logo.” This logo has been identified on other items in the archives dated 1994-2004, although it may have been used as early as 1992 (the estimated date for the Diskette Solar Calculator in this collection which contains that logo).

A third logo has been identified that uses four “thick” letter C’s. This may have been a special, secondary logo used by the college for a short period. The 1995-1996 Catalog uses this secondary logo in addition to the TTT Logo discussed above.

The college's current logo is an oval swish and has been used since 2004. None of the items in this collection contain that logo (as of August 7, 2007).

Prior to 2004, the college used a logo that looks somewhat like a 3-D tic-tac-toe grid. Items in this collection that have this logo will be noted with "TTT Logo." Prior to the TTT Logo, the college seems to have used two other logos. It is unclear which logo predates the other. One logo looks similar to a fancy shelving support and items with that logo will be noted with "Wedge Logo." The other logo consists of four thick Cs. Items with this logo will be noted with "Thick Cs Logo."

According to Dr. Toni Jenkins, the phonograph records were used for student recruitment at area high-schools.
