TO THE STAFF OF CCCCD:

"The cards, flowers, and plants you sent me while I was in the hospital were such a pleasure to me. Not only did they brighten my room, but they helped me to live with the cost of that room." These sincere thanks come from Karlyn Hendricks, Physical Plant.

The new CCCC catalogs are in and have been sent to each full-time faculty and staff member. If you did not receive your copy, please contact Shari Swift at ext. 6610.

Dr. Deborah Floyd received a complimentary letter about Vicki Dobbs, Records Clerk in the Student Development Office at CC, from the mother of one of our summer English students. There was a problem with her transcript and a UT

Austin enrollment deadline, which thanks to Vick was met. Although we are becoming a rather large college in terms of student enrollment numbers, Vicki has proven we are constantly striving to provide a personalized approach to education that is so important for our students while they are with us and as alumni.

A \$500 Botsford Scholarship is available to a CCCC Business/Vocational student enrolled in at least six hours. Contact Percy Parrish in the Office of Financial Aid, ext. 5760.

Kristen Kirk, a first grader in Allen has a rare form of cancer for which experimental treatment is required. In an effort to alleviate exorbitant medical expenses not covered by insurance, CCCC is donating discarded aluminum cans. PLEASE DISPOSE OF YOUR ALUMINUM CANS IN ANY OF THE THREE RECEPTACLES PROVIDED: one near the Physical Plant entrance on the first floor; two in the vending areas on the second floor. Thank you.
