**Margaret Reynolds - - interview with Dr. Anthony**

**June 1, 2001**

**Dr. Anthony:** You're not the first that's done that . . . . Jerry Hoagland was very good. I said Jerry by the time we finish here \_\_\_\_\_. When did you first hear about the college? Was there any early involvement? I know you principal \_\_\_\_\_.

I remember \_\_\_\_\_ (Margaret is speaking so low that I really can't understand what she is saying)

**Dr. Anthony:** Back in those early days – any significant things that came up that were more memorable to you than others? Anything that stands out?

\_\_\_\_\_ -

**Dr. Anthony:** Mr. Shockey

That was the 2<sup>nd</sup> time – the first time I can't remember the man's name

**Dr. Anthony:** That was Jackie Kinsey or

That's it.

**Dr. Anthony:** Probably spoke from the heart.

\_\_\_\_\_ - back to school – 4-year degree \_\_\_\_\_

**Dr. Anthony:** In some cases the families are not there – Mothers and fathers, spouses and child.

\_\_\_\_\_ - one particular guy I remember \_\_\_\_\_

**Dr. Anthony:** What in the hell is wrong with this thing???

Mary Allen could fix it.

**Dr. Anthony:** She probably could.

\_\_\_\_\_ -- of course the trip to Washington, D.C. \_\_\_\_\_

**Dr. Anthony:** I was just going to mention that - - - I'll never forget the trip to Washington, D.C.

You guys were so experienced.

**Dr. Anthony:** Sure we were – you had not been there before?

I had never been to Washington, D. C. before.

**Dr. Anthony:** \_\_\_\_\_ - we talked about that later for a legislative workshop.

---

**Dr. Anthony:** I've got a carrot there.

\_\_\_\_\_ - special, special time.

**Dr. Anthony:** Graduation was always a high point – then your 2 campaigns – I do remember some of the politics in the early years. I didn't realize that the first board

really ran as a slate – then there were 3 members who did not get elected. Doug Cargo was one of those that ran as part of the slate (??Trippin) was one that ran as part of the slate – then there was a 3<sup>rd</sup> person and the other 6 got elected but - - Tino and I think Bill Crawford \_\_\_\_\_ but Carey and Bob Collins.

Jones?? James??

**Dr. Anthony: Sharp fellow.**

\_\_\_\_\_ -

**Dr. Anthony: Cut the B.S. and right to the point.**

\_\_\_\_\_

**Dr. Anthony: Still does.**

\_\_\_\_\_ table - - - executive session --- smart guy.

**Dr. Anthony: Still is and gosh I talked with him a couple of months ago for the book. He was one of the original - - - you replaced Joe/Jo Anderson.**

\_\_\_\_\_ -

**Dr. Anthony: I think she's passed away. She passed away I think about a year ago.**

She was in West Texas

**Dr. Anthony: Yes, she was in West Texas working in the prison system and I think working a prison counselor. I'd gotten word that she'd passed away. As you look back – any characters - - insert some humor in this thing. Any humorous moments**

in board meeting which could be humorous or could be hell. Depending on where you were sitting. Any humorous or \_\_\_\_\_ - characters that you could reflect back on. I want to fit in a little bit about that Washington, D. C. trip.

---

**Dr. Anthony:** Have you had any conversations with Jim Biggerstaff? I mean as you reflect back is there really anything you think should go into this book from your point of view?

----- (something about "Sue and I" \_\_\_\_\_ - don't know where the men were - - - just a field

**Dr. Anthony:** (problems with recorder) That's what I want – I've got the stats and filing cabinets full - - really want the feel of institution from your perspective.

\_\_\_\_\_

**Dr. Anthony:** Been to Las Vegas lately?

(Nothing else on the tape)
