Bonjour! Join Professor **Ryan Fletcher** for a trip to the South of France. There's more to see and experience in France than just Paris, believe it or not.

In the summer of 2015, Professor Fletcher traveled to Provence, a region full of villages, Roman ruins and fields of lavender nestled between Paris and the Mediterranean Sea. Every village offers something new ... and tasty.

The architecture! The landscapes! The sea! The markets!

Provence has inspired many artists, including Van Gogh, Matisse and Renoir. Come and see the colors of Provence!
