Michael Leyzerzon

Those lips are a silent dream

serpentine tongue

moves its syllables to the surface

Twisting and turning down the narrow pathways

murky waters

teeming with Algae

turtles meet our eyes

On the surface of our tongues

The future, the present and the past,

blood flow equals our presence

what transpires?

It's the language of time itself

Everything in its moment.

and every moment in its time.

I am a mirror for you.

You're smile bares the reflection into me.
