Tonight the moon is the sun  
And the sun is you  
Trying to shine through my window  
And no matter how tightly I close the blinds  
The moon light still shines through  
And to think it's only a reflection of.

I wish sightlessness on your star eyes.  
Damn You and your hypnosis  
Radiant beauty and narcosis with your own light!  
I hope your moon falls sick of your ways  
Finding the earth in meeting place  
Causing the end of these God-forsaken days  
And the end of my unhappiness.
