Delivery Method of Feedback and/or Graded Material:

All essays and lab work MUST BE SUBMITTED INTO THE CANVAS FOLDERS BY THE DEADLINE, or otherwise they will not be accepted.

- Turn around time for returning papers is four days from the due date, for responding to emails is 24 hours, although efforts will be made to respond more quickly. Unforeseen circumstances may occasionally result in a greater lag time.

- Academic honesty is required of all students. Plagiarism results in the notification of the Dean of Students who will refer the documents to specialists for a ruling. If plagiarism has occurred, the Dean of Students will offer the consequences with a grade of zero on the paper being one of them. The policy on honesty points to students’ need to be aware of the consequences, both short-term and long-term, of collusion, cheating, and/or plagiarism before they begin the course. The outcome of personal responsibility established by the Texas Coordinating Board will be measured in part by the students’ ability to submit work that is written entirely by them and written during this semester for this course. Failure to comply with academic honesty policies or to submit assignments into the folders before the deadline indicates a lack of personal responsibility.

- MEET DEADLINES: AFTER THE FOLDERS CLOSE, NO PAPERS WILL BE ACCEPTED because classes are intense with assignments due frequently. The submissions and grading have to be timely to complete the course expeditiously and with everyone’s success in mind. If you encounter an emergency, email me in advance of the deadline to make special arrangements; otherwise, your paper will be considered late. Because the deadlines are posted from the first day of the class, all students will be responsible for submitting their work into the folders on time.
One extra essay will be offered to replace one missing essay. No assignments will be accepted during finals week.
