Then I would begin playing  
acting out the story  
just as I created it in my head.

Fonzie and Barbie were out doing something-  
nothing that involved them being naked.  
—Barbie was 11 in. Fonzi only 8 in.  
G.I. Joe was 12 in. and could whip The Fonz's ass.  
While out they stumble on The Joker and Green Goblin  
robbing a bank.  
They try to get word to the Hall of Justice  
but the Riddler knocks them out before they can.  
They're taken to the piano  
where Penguin is waiting.  
There he reveals his plan:  
what they're going to do with the money  
and they're never going to escape  
because the Super Heroes don't know where they are.

Two of the Fantastic Four and Green Arrow  
go to look for them, as they should have been back  
with lunch hours ago.

They take G.I Joe's jeep from the toy room,  
stopping in the den to see if Colonel Austin has seen them,  
which he hasn't but runs at Bionic speed to the kitchen  
to look for them.

Two of the Four and Arrow proceed to the living room  
where they are spotted by Riddler from the top of the piano  
and shot at by a missile.

It narrowly misses.

Before the radio goes out the Invisible Woman  
is able to let Spock know their location.  
It went on like this until justice prevailed.

I would spend more time setting up,  
trying to come up with scenarios  
and making zips lines  
than I would actually playing.

Just like a movie:  
six months work  
for an hour and a half film.
