SUNLIGHT

Mary Baumgartner

Sunlight fascinates me
It's so warm
It's so bright
It's so majestic
It's so sublime.

Sunlight draws me
With its bright colors
With its effulgent rays
With its warm waves
With its constant presence.

Sunlight guides me
As its light illuminates me
As its brilliance excites me
As its fieriness warms me
As its existence lets me be.

Sunlight blesses me
Its energy heals me
Its beauty inspires me
Its provisions strengthen me
Its presence reasons for living give me.
