Some of Us

Some of us want what we know we'll
never have,
Some of us have what we know we'll
never want.

So let's get together and share what
we have,
So maybe some of us will have what
we want.
So maybe some of us will want what
we have.

Some of us will have what other
people want,
Some of us will want what other
people have.

No one is going to have everything
they want,
No one is going to want everything
they have.
So let's get together and have what
we want.

And then some of us will want what
we have.
And then some of us will have what
we want.
