# Light

Carla Kraft

You sometimes wonder what it's all about  
when life seems hard and no way's out  
you want to run but you can't hide  
so you hope and pray for the end of the night.

It's just a matter of time until you see  
darkness isn't real--it only seems to be.  
Set your sights above the clouds,  
embrace the silver laughter dancing your direction.

The answer's in you, with you, always leading  
subtle shades of light, perfect patterns weaving  
gently streaming, never fading, only changing colors.  
Open up your eyes, high into the skies.

Open your eyes.
