## Lunar Fantasy

Pieces of the moon  
dropped from the sky last night.  
First, I trembled--  
then a tiny sliver  
floated down like the wings of an angel,  
touched my head.  
My whole body lit up--  
a firefly on a hot August night.  
My feet started dancing  
and jumping so high that I  
leapt up to that moon,  
grabbed a few more pieces,  
throwing them down on those people  
cold from darkness,  
in need of the light.
