Light of the Moon

Lillie Vermillion

Moonlight
Bluish white
Softly rustles Stirring
the strings of my soul Silently
casts its Heavenly glow across a
Lovely brow turned upward To catch
a glimpse of beauty Round and elegant
The light filters down gently Resting upon the
muted greens of whispering leaves Glittering
on the glowing waves of glass Reflecting
its beauty in the mirror of earth's heart
Casting soft shadows Of gray blue
onto the Carpet of flowers Music
floats Swaying the heart
In the breeze of the
Moonlight
