Friedrich's Wanderer

K. L. DRYK

Stands on a precipice, solitary.
Amber curls dance with the air
as I fall in love with his loneliness.

I feel the wind and the spray and the rock
beneath his feet as he questions
the fog. Clouds roll over the mountains

and whisper their mysteries to the stone. And we
lean out from the cliff and make
believe we can hear them.

**Inspired by Wanderer Above the Sea of Fog
by Caspar David Friedrich*
