**Sexy Pomegranate**

Dylan Telthorst

Encased in a bitter shell  
Lies the sweet, succulent aril  
Like tiny rubies, I feel enriched  
I savor your sour nectar

The sharp taste brings me to life  
The vibrant color transports me  
To another world

The seductive, soft exterior  
Makes my heart race  
My palms begin to sweat  
As my soul expands

The temperature rises  
The rooster crows  
My eyes widen

I have a taste  
The sweet juices flow into me  
O Pomegranate  
Fill me with your love

The sky opens  
Heaven speaks to me  
Pomegranate, the one true God

The end is here  
My divine pomegranate  
Though our time was brief  
I feel no grief

The divine fruit is within me  
It gives me life  
I am born again

Until our next meeting  
I will dream, I will pray  
That your luscious seed  
Will fill me once again
