## Fluorescent Urine

M.J. Scott

all the crooks in the mirrored towers  
they salivate over predicted destruction  
before calculating the prices for mail-order brides  
you know,  
the type that come equipped with disposable feelings  
and smiles that can be accidently beautiful  
they are all so happy to be so angry  
over fluctuating digits and burning latte's  
these cheaply made male dolls with kung-fu grips  
suit themselves in class-action forgotten fashion  
and when their string is pulled  
they recite the first law of power  
they are the authoritative types that can  
"piss in the night and light up the sky"  
or so they would have us believe...
