Girl's Best Friend Emily Agrisano

Rest

David Drane

When the winds of life blows against your sails
When the troubles of this world begins to tip your scales
When you carry on with tired bones
When the enemy gives chase with sticks and stones
When you've given your all and there is nothing left
When you've walked your heart a thousand miles and can't catch your breath
I pray that love finds you
I pray that love gives you rest
