## **Rest**

David Drane

When the winds of life blows against your sails  
When the troubles of this world begins to tip your scales  
When you carry on with tired bones  
When the enemy gives chase with sticks and stones  
When you've given your all and there is nothing left  
When you've walked your heart a thousand miles and can't catch your breath  
I pray that love finds you  
I pray that love gives you rest
