Lead Me

Victoria Grossmann

Come lead me to the ocean.
Lead me to the edge.
Where the sky sings and the waters dance ahead.

Let the sand embrace me and the sun kiss my skin.
Let me dance in the water till the summer's end

Show me what it's like to be free.
With nothing to hold me down.
With nothing to defeat.

I want to dance with the trees
And sing with the wind
To soar with the clouds
And feel the sun on my skin

Take me into the water
Lead me through the sea.
Let the water wash over me as we feel free.
Lead me to where love sings.
Where all my troubles become unseen.

Lead me to where I can rest in peace.
