## **The Rudder that Turns the Ship**

Casper Njuguna

Wars fought at the cost of my liberty,  
Race invented at the price of my identity,  
Wealth gained at the cost of my penalty,  
Knowledge spread at the price of my authority,  
Civilization appeared at the cost of my rationality,  
Empires created at the price of my ability,  
Future determined at the cost of my mortality,  
I am Africa, the rudder that steers humanity.
